For the students of the 3rd year, we simplify this to capitalize "important" words. In letters, applying the skills learned in this unit, including how to structure a letter, punctuating tanners of books and tales, using possessive (in reference to the characters or ideas in the book), contractions and addressing an envelope. Coincidentally, a novice tries to publish a story with a book title here is no time. Good advice here.HEIDI THORNE (Author) of Chicago Area on August 14, 2020: Bill, yes, something like this. She feared that this other book would take off her visibility in the search for Amazon and Google, although hers was published long earlier. Another title is also registered, for example, Harry Potter and its Á Á "" s which should I read? I know I'm not intentionally trying to use someone else's book. But both books had almost the same amount of customer comments. Thanks for complaining and having a beautiful day! Marie Flint de Jacksonville, FL uses on August 16, 2020: I imagined equal or similar tatures should not be a problem, but decided to read this article if there is a thinner detail that I could learn. Although I would be a little upset if I arrived with a very original title and someone used it too after me, you do good comments about why you are not considered a big problem. ) From Chicago Area on August 16, 2020: Hi Marie! Similar ones are not violation, but it depends on the nature of work, marks and such. If you have any familiarity with these work with similar totulos, do you think there will be any confusion? What I am trying to show concerns another hubber: Á € "" "" all equal, right? by his name as an author and not by the title of his book. I wondered about the plagerism issue, which you answered very well. I have always loved your no-nonsense style, on August 14, 2020:You have clear the my confusion here. Yeah, it happens all the time with books.Thanks for adding that perspective to the conversation! Have a lovely weekend!FlourishAnyway from USA on August 14, 2020:IeÁÁÁve seen multiple books with the same title but they often had very different content and it was pretty obvious from looking at the author and general book description which one was the sought after product. I've found them to be helpful if I ever had questions.Thank you for your comments and have a great day!Miebakagh Fiberesima from Port Harcourt, Rivers State, NIGERIA. I'm not worried.And no one--no one!--would be confusing my books with others. Although weirdly my book title "SWAG..." often shows up with books on drapery swag. So even if there are books with similar titles, if they're searching for you, they'll see your books. Thanks so much for your support. What's the saying? There's nothing new under the sun? In titles, the first and last words are always capitalized as well as all nouns, pronouns, verbs, adjectives, adverbs and any word with five or more letters. Your title raised questions in my mind, which you answered well and reassuringly in the article.Peggy Woods from Houston, Texas on August 15, 2020:Your advice is concise and to the point. The same title for very different books or movies. Have a good weekend, Heidi.Miebakagh Fiberesima of Port Harcourt, Rivers State, NIGARIA. Á what could be happening here.For Google search, the similar situation What does all this have in common? Á I Á. In the opening example, the two fiction books with similar labels were in different genres. However, I understand that it can be quite emotionally unsettling for an author, even if not intentional. Thank you for reading and thoughtful comments! Have a wonderful day!Adrienne Farricelli on August 29, 2020:With so many books coming out, not surprised that a book ends up having a label that looks surprisingly or even the same, as can happen after all with movie labels, store names, websites etc. We are two peas in the same pod, or something like that. Heidi Thorne is a self-published advocate and author of non-fiction books, eBooks and audiobooks. © 2020 Heidi Thorne Thorne (author) of Chicago Area on August 30, 2020: Adrienne, I think that while the authors are not deliberately infringing the title of another book, at least one problem. Its nice to know that the <sup>3</sup> does not consider the same labels an infra tion.Thanks for sharing.Linda Crampton of British Columbia, Canada on August 15, 2020:I always learn something new by reading your articles.
